

PALI PACKING LIST

All items highlighted in yellow are available to purchase at our on site camp store, and some are available now for preorder on our [online camp store](#). The following clothing list is designed as a guide for parents and campers and should be tailored to your child's planned specialty (see below), and activity interests.

Campers and staff dress informally at Pali Adventures. The rule of thumb is to bring clothes that are comfortable and expendable. We discourage designer clothing for three main reasons:

- *camp is rustic and your child will be active*
- *a relaxed no-pressure environment gives campers the opportunity of not having to compete*
- *clothes are very easily lost or damaged at camp.*

Pali implements a strict policy when it comes to "provocative clothing". A general rule is that undergarments must be worn at all times and may not be visible; and that the area from the navel to the bottom must be covered completely.

LAUNDRY is only done for campers staying with us three or more weeks. Laundry is done at the end of the second week of a camper's stay, and every two weeks after that. Please make sure your child has a laundry bag for their belongings.

LOST AND FOUND Name tags should be placed on all camper's belongings. Please use the camper's first and last name. While every effort is made to help campers be conscious of their belongings and return lost and found articles back to the campers, unlabeled articles are rarely recovered.

Pali Adventures is not responsible for the loss or damage to a camper's personal belongings for any reason (i.e. fire, theft, laundry or forgetfulness) and Pali Adventures strongly recommends that campers not bring items of value to camp. All lost and found clothing is donated to a local charity at the end of the summer.

LUGGAGE should be confined to bedding plus one suitcase or duffel bag. We reserve the right to screen a camper's luggage.

BEDDING Pali does not provide any bedding, linens or towels. All campers must bring their own sleeping bag (or sheets and blankets for a twin bed) for their nightly use, plus a pillow and pillow case. Alternatively, campers can purchase a bedding package or parents can pre-order one online.

PROHIBITED ITEMS Dangerous items are strictly prohibited. No drugs, alcohol, cigarettes, matches, fireworks, or other contraband may be brought into camp. If these or any other dangerous items are found at camp, the staff will confiscate them and disciplinary action will be taken. Pali cannot guarantee the safekeeping or return of confiscated items.

CELL PHONES & OTHER ELECTRONIC EQUIPMENT Cell phones/iPhones are not permitted in camp nor on camp-sponsored trips. The camp will hold all cell phones or other similar devices. Confiscated cell phones may be picked up at the end of camp.

Parents are welcome to call the Head Counselors if there is a concern or question regarding your child. Almost all electronic devices are prohibited at camp. As a rule, any item that can: send or receive a phone call or text messages, play a DVD, send or receive e-mail or access the internet is prohibited at camp. Handheld electronic games, iPods or other expensive equipment are strongly discouraged. Pali is not responsible for the damage, theft or other loss of any personal items.

Highlighted Items are available for purchase at camp or on our [online camp store](#).
